

Community Health Improvement Plan CHIP

What is a CHIP?

A CHIP is a roadmap that is part of a long-term effort to improve the health of a community. Some main components and considerations of a CHIP are:

- Community driven and consist of collaborations between community members, hospitals, community-based organizations, and more
- The community comes together to identify priority health issues
- The community helps to develop and implement objectives and strategies for action

What towns does the Quaboag Hills CHIP serve?

Quaboag Hills Region:

- The Quaboag Hills Region is a part of central and western Massachusetts, spanning over the Worcester, Hampden, and Hampshire counties

The towns we serve:

- Barre, Belchertown, Brimfield, Brookfield, East Brookfield, Hardwick, Holland, Ludlow, Monson, North Brookfield, New Braintree, Palmer, Spencer, Wales, Ware, Warren, West Brookfield, and Wilbraham

Who do we collaborate with?

- Community members
- Local organizations
- Health foundations
- School systems
- Municipal Governments
- Stakeholders
- Other entities

Who can join the CHIP?

- Any community member who wants to share their voice regarding public health issues in their community
- Join the CHIP now, where you can attend meetings, network, and look at key data about the Quaboag Hills community
